EDUCATION

New York University, Tandon School of Engineering

Brooklyn, NY

B.S., Integrated Design Media

Relevant Coursework: Intro to Web Development (HTML, CSS, JavaScript), Creative Coding (p5.js), 3D Modeling (Maya), Visual Foundation Studio (Illustrator & InDesign), Motion Graphics (After Effects), Audio Foundation (REAPER), Motion Capture, Dynamic Web Application (React)

EXPERIENCE

Product Design Intern

Apr. 2025 – July 2025

Ubiquitous New York, NY

- Conducted user testing and feature analysis for the Ubiquitous app, providing data-driven critiques and strategic improvement suggestions.
- Designed and iterated on wireframes and high-fidelity UI/UX mockups in a collaborative team environment.
- Produced and edited 5 promotional TikTok videos using Adobe Premiere Pro and CapCut, supporting app marketing campaigns and user acquisition.
- Developed and delivered presentations on design concepts and marketing strategies to the team.

Digital Marketer

May 2026 – July 2026

Global Career Accelerator

Remote

- Designed user-centered Shopify experiences using empathy mapping and UX principles; A/B tested homepage elements (trust badges, urgency promotions, CTAs) to lift conversions.
- Built SEO strategies from keyword research (SEMrush, Google Trends) through execution, optimizing metadata and blog content; launched Meta ad campaigns with lookalike and retargeting audiences and analyzed CPM/CPC/CPA metrics to optimize placements.
- Automated branded email flows (abandoned checkout, promotional) to recover revenue; developed social strategies via competitive analysis (Instagram/TikTok) and sourced influencer partnerships to expand brand reach.

Social Media Coordinator

Jan. 2026 – Apr. 2026

NYU Digital Media Intellect Virtually Integrated Project

Brooklyn, NY

- Defined strategic objectives and developed a framework outlining target audiences, desired outcomes, and KPIs for the NYU IDM Department social media team.
- Created an editorial calendar and diversified content types, driving a 150% increase in post frequency and a 191.1% increase in views within 7 days.
- Grew engagement across the account over 7 days: reactions up 370.7%, comments up 500%, shares up 440%+, saves up 75%, engagement rate up 271.8%, and reach up 216.8%.
- Sustained growth over 30 days: posts up 55.6%, reactions up 52%, comments up 180%, shares up 59.4%, engagement rate up 45.8%, views up 13.6%, and reach up 33.8%.

Content Creator

Apr. 2024 – Dec. 2024

TikTok

New York, NY

- Grew an organic following to 208 followers, generating over 10,700 likes, 646 comments, and 459 shares through strategic content creation.
- Analyzed performance metrics (likes, shares, comments) to refine content strategy, increasing visibility and audience engagement.
- Conceptualized, created, and scheduled daily quote-based video content to drive platform growth and maintain a consistent online presence

Student Facility Attendant

Jan. 2025 – Present

NYU Brooklyn Athletic Facility

Brooklyn, NY

- Maintained a safe, clean, and organized workout environment through regular equipment sanitation and facility checks.
- Managed and tracked inventory for gym equipment and supplies using Google Sheets to ensure resource availability.
- Provided customer service by assisting patrons, enforcing facility policies, and verifying member entry.
