EXPERIENCE

NYU Brooklyn Athletic Facility

Brooklyn, NY

Student Facility Attendant

Jan. 2025 - Present

- Maintain a safe, clean, and organized workout environment through regular equipment sanitation and facility checks.
- Manage and track inventory for gym equipment and supplies using Google Sheets to ensure resource availability.
- Exceptional customer service by assisting patrons, enforcing facility policies, and verifying member entry.

Global Career Accelerator

Remote

Digital Marketer

May 2026 - July 2026

- E-Commerce & CRO: Designed user-centered Shopify experiences using empathy mapping and UX principles; A/B tested homepage elements (trust badges, urgency promotions, CTAs) to lift conversions.
- SEO & Paid Media: Built SEO strategies from keyword research (SEMrush, Google Trends) through execution—optimizing metadata and blog content; launched Meta ad campaigns with lookalike/retargeting audiences and analyzed CPM/CPC/CPA to optimize placements.
- Retention & Social: Automated branded email flows (abandoned checkout, promotional) to recover revenue; developed social strategies via competitive analysis (Instagram/TikTok) and sourced influencer partnerships to expand brand reach.

NYU Digital Media Intellect Virtually Integrated Project

Brooklyn, NY

Social Media Coordinator

Jan. 2026 - Apr. 2026

- Identify clear strategic objectives for the NYU IDM Department social media team
- Develop a framework for outlining the target audience(s), desired outcome(s), and key performance indicators (KPIs)
- Create an editorial calendar and experiment with various content types, including images and video
- Analyze results against the established goals and KPIs, and rethink and refine their approach and execution accordingly semester over semester

TikTok

New York, NY

TikTok Content Creator

Apr. 2024 - Dec. 2024

- Grew an organic following to 208 followers, generating over 10,700 likes, 646 comments, and 459 shares through strategic content creation.
- Analyzed performance metrics (likes, shares, comments) to refine content strategy, leading to increased visibility and audience engagement.
- Conceptualized, created, and scheduled daily quote-based video content to drive platform growth and foster a consistent online presence.

Ubiq

New York, NY

Product Design Intern

Apr. 2025 - July 2025

- Conducted user testing and feature analysis for the Ubiq app, providing data-driven critiques and strategic improvement suggestions.
- Designed and iterated on wireframes and high-fidelity UI/UX mockups in a collaborative team environment.
- Produced and edited 5 promotional TikTok videos using Adobe Premiere Pro and CapCut, supporting app marketing campaigns and user acquisition.
- Developed and delivered presentations on design concepts and marketing strategies to the team.
